FOR IMMEDIATE RELEASE

February 13, 2017

Naperville, IL – The Turbine Inlet Cooling Association (TICA) is pleased to announce that during the 2017 Western Turbine Users Inc (WTUI) Conference (March 19-22 in Las Vegas, NV) , TICA will be recognizing turbine users/owners/operators, who have demonstrated the successful implementation and use of turbine inlet cooling (TIC) technology for GE aeroderivative gas turbines. One award will be given for each TIC technology.

The nominations will be evaluated based on the following criteria:

1. Total quantity of turbines utilizing TIC (20%)
2. Total kW power increase due to the installation of TIC system(s) (20%)
3. Percent increase in capacity due to TIC installation(s) (20%)
4. Ages of TIC installation(s) (20%)
5. Noteworthy/innovative details/best practices of installed TIC system(s) (20%)

Each winning nominee will receive:

- Award plaque presented at the WTUI Conference
- Awardee name and system info will be posted on the TICA website
- Awardee name and its system highlighted in a TICA press release to industry publications
- Free 1-year TICA membership
- \$100 VISA gift card

The deadline for submitting nominations is March 10, 2017

Please complete all required information on the nomination form below and submit to Dharam Punwani, TICA Executive Director at exedir@turbineinletcooling.org
